

ILY Enterprise, Inc. introduces the new Mobile Pro SD to HDD Backup Station - GoPro* compatible

City of Industry, CA Nov 2nd, 2015 – ILY Enterprise, Inc is proud to announce the release of new Mobile Pro SD to HDD Backup Station, which can be powered by mobile power bank and car charger for mobility. Mobile Pro is GoPro compatible meaning that videos and photos taken by GoPro cameras can be fully backed up to a hard disk drive (HDD) or SSD through Mobile Pro anytime and anywhere, to ensure that important data is never lost.

Features:

- Ultimate slim and lightweight design for the convenience of mobility. Mobile Pro weights less than 0.5 kg, giving you the better ability for mobile work.
- Copy from maximum 10 SD cards or Micro SD cards with adapter simultaneously for time saving and higher efficiency.
- Made for use with GoPro and other professional or sports cameras.
- Uninterrupted usage with portable power supply. Mobile power bank or car charger can be used as power supply through micro USB port, to ensure adequate power for uninterrupted usage even on the road or outdoors.
- Automatically detect the free space on the target hard disk drive.
- Low energy consumption design to last longer of work with power bank.
- Plug and Play, no warm-up or waiting time, no computer required.
- Ideal for sports activity or special event recording, and anyone in needs of transfer image/video/data from SD or Micro SD to larger size HDD/SSD.
